## Rhinestone Chain Daisy Pin and French Box WS277

Teacher: Arlene Baker. (All Levels) With Arlene's expertise, make your own perfect accessory using rhinestone chain and beading wire to fashion loops that form the five daisy petals. Beading wire makes the stem and secures the rhinestone chain that embellishes it. A single rhinestone with sew-on setting is the finishing touch in the center of the pin. You will also transform a simple 6" x 4" x 2-1/2" cardboard box into a spectacular "Coffret a bijoux" using silver glass glitter, sparkling crystal rhinestones and silky satin ribbon. Adorn the lid with a dazzling button, line the inside with delicate paper lace and voila...your French box is complete!
