### The Unifying of the “Body of Christ”

Can you feel the fresh anointing beginning to fall like a gentle rain from heaven??? Or are you so dead doing your religious thing that you have lost the Holy Spirit and know it not??

Seeing as how there is one body, one Spirit, one hope, one Lord, one faith, one baptism, one God and Father; pray tell me why are we all divided; professing one God but hiding under our churchianity, our evil self-righteous selves, doing our own thing and going our own way, yet calling Him Lord when the fact is He is not your Lord at all.

Well, I have good and bad news for you. He is about to send a spirit of repentance upon the world, and America in particular, that will make the fire that hit Sodom and Gomorrah look like a fire cracker.

There is nothing the Lord hates more than one who preaches one thing and does quite another. I suppose we could call it self righteousness, being high and lifted up in our own eyes.

Why do you suppose we have a corrupt government over us who is doing “everything for our good” and slitting our throat at the same time???

Is it because we are walking the same way — self righteously doing what looks good in our eyes???

The good news is this — God is about to bring forth the unity of the body of Christ. The bad news is you cannot be part of the body of Christ and have your own ways, thoughts, and yes, your own righteousness. So my dear deceived Christian who is one in name only, you are about to be tested and tried beyond any of the ear tickling teaching you have heard.

The truth and reality of the cross that has been my saving grace has been the very reason the teachers, apostles, and evangelists who were supposed to bring

the church into unity have rejected me. They have rejected not me but the message I carry in my bones. It is this message that is falling as a gentle rain from heaven, a gentle rain on those who love the truth more than their life and an atom bomb to those who love their evil life more than God.

We have all been children but God is demanding we grow up, mature and take responsibility for our own lives. Ephesians 4:14 describes the children our teachers, prophets and evangelists have kept crippled.

“That we be no more children, tossed to and fro, and carried about with every wind of doctrine by the sleight of men and cunning craftiness whereby they lie in wait to deceive.” Now the next sentence: “But speaking the truth in love will cause us to grow.” The pastors and teachers do not know the truth (Christ) so how can they speak it???? Wake up you who love your ears tickled — you can only be deceived if you choose; so you will be held accountable for your own salvation.

You can call us here at Piecemakers a cult, you can laugh at our community life style, you can sue us, slander us, do all sorts of evil against us, but the One we love, cherish, obey and carry inside our hearts will not be done away with until He has performed everything He has had in His heart since the beginning of time.

Pray you are prepared to humble yourself under His mighty hand of correction and repent from your own life no matter how good and righteous it looks in your eyes, or you will without doubt be among those who pray for the rocks to fall on them. There is no place to hide. All secret hiding places in our hearts will be revealed as God comes out of His holy habitation to set us free. See you at the pearly gates.

## April — June 2005 Letter

### ***HIS STRONG RIGHT ARM***

*I'm bringing you out with My strong right arm —  
Humble yourself and I'll do you no harm.*

*My seal of approval is already on you.  
Fear not little flock — you're moving on queue.*

*Be patient; I'm working as fast as I can —  
To end all your woe and give you the land.*

*Filled with milk and honey and , oh yes, My peace.  
All tears and all lust and jealousy cease.*

*All that and then, oh, so much more —  
When you reach that longed for — that far distant shore.*

*You will know that which eye has not seen and ear has not heard  
Like a blind man on seeing his very first bird.*

*Your heart will rejoice — in full bloom it will burst.  
You will cease to be hungry and have no more thirst.*

*For I love you, My children — come — look in My eye,  
It is filled with mercy — I do SATISFY.*
