And when the people were gathered thick together, he began to say, This is an evil generation: they seek a sign; and there shall no sign be given it, but the sign of Jonah the prophet. Luke 11:29

“The sky is falling,” says Chicken Little.

We all know the story of poor Chicken Little who lived so far from reality — who lived in such fear that a mere acorn set off a false alarm in her that led to her doom.

Does that sound like the Christians today? They are running hither and yon, following after false Christs such as the Toronto Blessing and the Promise Keepers, just to name a couple. And now the big alarm is the Y2K scare. I wish His coming was that simple and painless. I wish when He said He would come like a thief in the night that He meant all my personal belongings would be taken. I wish when He talks about the burning of the hay, wood and stubble that He meant the back field or our front yard would be burned. I wish that when He says we all must change He was talking about changing my hair style or eating habits.

But my dear friends, this is what we are about to face. Everyone will hear His voice and have to face Him; His appearing is an inside happening forcing our wills to bend to His will. Our center will be forced to change from self-centered to God-centered. That means that every selfish little deed we do will be burned in a fire of judgment more frightening than our worst nightmare. **It also means the greatest day of freedom and redemption that man has ever known.**

Every thought and secret motive will be exposed. All liars will be burned in the lake of spiritual fire.

Vengeance belongs to God, so let us not try and “get back” at someone who has wronged us — either in real life or in our imaginations.

Our God is a consuming fire that will consume anyone or anything that is contrary to His Kingdom. **Our God** is a jealous God who will take every idol, be it family, pets, things or whatever, so He may be Lord. **Our God** is a righteous God who will not tolerate injustice, deceit or any pouty temper game playing. Going crazy will be no escape as we shall find out there is no escape but to humble ourselves so He can be our cover.

Our God is a refining fire. Pray you may stand in the day of His coming. Pray you are found worthy to enter His Kingdom. Pray grace will be given you to enter into His presence. And dear sojourner, pray you may find the grace to praise Him as He makes your life become His property.

I love you dear ones with an everlasting love. If your life is so jumbled you can barely cope, remember He is in the midst of your confusion, causing you to relinquish your life to Him so as to find your peace and rest.

God bless you and keep you all. Our redemption draweth nigh!

April — June 1999 Letter

Hello friends,

Just a short greeting to you all, far and near. In Deuteronomy 4:34 God says an interesting thing through Moses and it is so pertinent for today. "Has there ever been a god who could take a nation from within a nation by trials, by signs and wonders and by war and by a mighty hand and by an outstretched arm and by great terrors as the Lord our God is doing for us today??? To you it is being shown that you might know that the Lord, He is God: there is no other besides Him." So we see today He is taking America out of Capitalism.

Dear folks, He is opening our eyes so we understand that capitalism is as evil as communism and our country was not founded on capitalism but on God. He is the cause of our great growth, prosperity, our blessing. And we have all turned our hearts from trusting Him and put our trust in a phony system: rules and laws made by man.

We see positive signs of a great awakening and with it will come personal healing to all the broken hearted.

All for now. The grace and peace of our Lord Jesus be with you all as we enter into His presence.

Marie
