## October — December 1997 Word

*“If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.” 2 Chronicles 7:14*

As the curtain goes down on an age grown old and the battle rages as a new dawn tries to make itself known, we are all becoming involved in a great reformation. We are in what Jesus called the fullness of time. Time is not limited to one nation or one person. Time touches everyone, and the time that has put boundaries on an old age has run out! It is time we put the trumpet to our lips and sound an alarm for battle, for we are about to enter the promised land and restore America back to God. The battle is real — the giants are real — the tyranny is real — and the freedom to come is real.

Our outward bondage is our government, religion, families, possessions, etc. However, our biggest enemy is ourself. We can get rid of our tyrannical government or anyone else controlling us, but unless God changes our nature, we will still be in bondage to ourselves.

Without God, our Constitution would be just another scrap of paper. Without God, our battle is futile, for the weapons of our warfare are not carnal, (they are not bombs and guns and clubs) but mighty in God to the pulling down of strongholds.

What are our weapons? Let us look at two scriptures.

First is 2 Chronicles 7:14. It says this, “If **my people** who are called by my name will **humble** themselves...” The U.S. is the only country called by His name professing to be Christians. So we see humility as a weapon. Humility is the garment that replaces pride. Humility is birthed with much humiliation and spiritual bloodshed.

The next sentence says, “If we would **pray** and **seek** His face...” Two more weapons are prayer and seeking first the Kingdom of God. Seeking first the

Kingdom of God should be priority #1; not seeking even to win our battle, for that will be a by-product of seeking first His Kingdom.

Then the scripture goes on, “And **turn from their wicked ways...**” Another weapon is repentance or turning from our ways. If the people’s hearts in a country are wicked, the government will be wicked. If the people of a country are stuffy, they will have a King and Queen. The people of a country create their own government.

Remember, the Bible clearly states the whole world has the devil as their father and the whole world is deceived; so we are born with the ways of Satan. Repentance begins to turn us from our wicked ways. Will we humble ourselves by admitting we don’t know it all? Can we humble ourselves and go ask forgiveness from those we’ve wronged? Or perhaps we’re too arrogant to think we have ever wronged anyone.

If we use these weapons instead of guns and bullying, then the scripture says He will hear from heaven, forgive our sins and **heal our land**. What does He mean, He will heal our land? It means the laws will once again be few and simple and made only as a protection for the people. It means that once more America will be the land of the free, trusting God and not the government to protect and guide its people. So these weapons — **humility, seeking God’s face and repentance** — cause our inward enemies to flee and also our outward enemies.

The other scripture (Hebrews 4:12) says, “**For the word of God is living and powerful and sharper than any two edged sword, piercing even to the division of the soul and spirit and joints and marrow, and is a discernor of the thoughts and intents of the heart.**”

**And there is no creature hidden from His sight but all things are naked and open to the eyes of Him to whom we must give account.”**

The two edged sword is not a commodity bought in a gun shop. It is the spirit of truth that is given only to those people who through the Cross have found their way back to God through His Son. In these people, the tongue, the messenger of truth, has been tamed and cleansed by the Holy Spirit. The vessel carrying the two edged sword is holy even as our Father is holy. A powerful weapon is a vessel carrying the two edged sword (the

word of God) with bullets of truth. No one can stand against it. So my dear, brave, courageous friends, let us not allow the bullies of a tyrannical government to cause us to shirk back from what God has called us to do.

Everyone will have his job to do. Every knee shall bow as God humbles the human race. Some of us reading this today may be killed, as the enemies in our country think they are doing God a service by trying to stop what God has set in motion. But we shall fear no evil. We will march forward even unto death if need be. For mine eyes have seen the glory of the coming of the Lord.

## October — December 1997 Letter

*Hello once again,*

*We greet all of you dear brothers and sisters in the name of our Lord. With the coming of fall, the kids all back in school, there is much more happening. With Diana's death the world seems to be getting cleansed from their idols. We all love to idolize people rather than God and He is a very jealous God indeed. If He loves us He will continue to cleanse us from any person that will take His place in our hearts. Then and only then will we as His people become whole. Expect the false governments to fall, the monarchy to end. They, including our government, are all just a figurehead (an image) and we continue to keep it going because we all love to live in fantasy. Reality is too painful.*

*The baton is being shifted from the leaders in the charismatic move to a new leadership. The next move of God solves all the mysteries of the Bible and is utterly different from all former revivals or anything that had to do with the so-called church. I'm afraid the church is being bypassed. Thirty years ago the call went out to "come out of her my people so I can be your God". He is causing His judgments to fill the world so as to hopefully bring the people back to Himself. What an awesome and terrible time in which to live. Seek Him while He yet may be found. Look to no man, for none have paid the price of relinquishing their whole life to know Him. Seek Him for yourself — make that your number one priority.*

*What is coming up at Piecemakers??? Well, lots of good things. We will be looking for your sweet faces at the **Craft Fair on October 11th and 12th** and also on **December 6th and 7th**. Once again it will be a wonderful outing for the whole family.*

*The **Peddler's Market on November 8th and 9th** is growing and the attendance is superb. Get your booth early. Your old things will be wonderful treasures to the people.*

*Our fall fashion show, **A Potpourri of Fashion, on November 15th** will definitely be a winner as we will have many bargains on new clothes and also model some clothes from our Bearly Used store. Hopefully we can talk some of our customers into modeling for us.*

*Thanksgiving and Christmas, we will again have a table filled with God's bountiful abundance for anyone who wishes to come and share with us all our blessings.*

*Check the calendar of events for demos, sales and kids' fun days. And last but not least be sure and check out our **pumpkins** which are for eating and decorations, and will be for sale right after the October Craft Fair. Also we are expecting the best Christmas trees in all Costa Mesa with prices within range of your pocket book. Look for them after the December Craft Fair.*

*Good-bye and God bless all of you. Please pray for us as we continue to make some brave stands against the infiltrating gestapo government.*

*Marie*
