

False Prophets

JEREMIAH 5:30 — AN ASTONISHING AND HORRIBLE THING HAS BEEN COMMITTED IN THE LAND: THE PROPHETS PROPHECY FALSELY AND THE PRIESTS RULE BY THEIR OWN POWER; AND MY PEOPLE LOVE TO HAVE IT SO. BUT WHAT WILL YOU DO IN THE END????

This is the question the Spirit is asking the American people of whom the greatest percentage call themselves Christians. As we are at that place in time called the end — what are you doing???? Are you still part of the church age??? Do you still expect your dysfunctional family to make it into the kingdom without a metamorphosis so extreme you will not recognize your wife/husband or children???? Do you not know that a worm has no fellowship with a butterfly??? Do you not know that when Jesus said, “I will sup with you until I sup with you anew in the kingdom,” He was saying farewell to his closest relatives and friends — and if they made it not into the kingdom, His fellowship with them was finished? Do not be deceived into thinking that just because your family is active church-wise that they will be part of the kingdom. Please for the love of God do not hold members of your family back just because you are too proud or unbelieving to give up your own life.

The captain of the host was Joshua's first visitor when he attempted to enter the promised land. He was either friend or foe depending on whether or not Joshua humbled himself. So it is with this next move of God.

He is coming as a standard of righteousness. He will not wink at what He has winked at thus far. Our wonderful works all are dead works and are dung in His sight. God is looking for a new creation picked out of the fire of affliction and refining.

Dare I mention the “s” word????? Christians abhor the thought that by suffering we get to glorify Christ. By suffering we are changed from a worm into a butterfly, by suffering and tribulation we enter the kingdom. By suffering we bring forth fruit of righteousness, by suffering we become perfection.

The end is here. Are you going to settle for doing many wonderful works, going hither and yon carrying in your satchel a gospel that is absolutely worthless??? Mark my word — revelation without the reality (the fire of God) is worthless. Are you willing to part with your life, that is, the way you speak, the way you think, the way you understand (1 Corinthians 13 — these are considered childish things) and grow up into a mature man? When all your wishful prayers begin to fail and your life falls apart, know that you are close to your redemption.

Marie Kolasinski
