

## Christian Mythology

We are living in the fullness of time when we are all being forced to grow up; the Bible calls it maturity or perfection. There are not too many options left — we either grow up or perish. The human race is in the time of **the harvest**. If you claim to be a Christian you should know that the harvest is the end of the age (world), the coming of Christ. “For none of us liveth to himself, and no man dieth to himself. For whether we live or die, we are the Lord’s.” Romans 14:7

“Say not ye, ‘There are yet four months and then cometh harvest?’ Behold, I say unto you, lift up your eyes and look on the fields; for they are white already to harvest.”

Let me give you an analogy so as to understand what the spiritual meaning of this verse is. Leprosy starts out with red blotches and when it has run its course it turns white. Our entire civilization has leprosy that is white. It is evil to the core. It has run its course; it is corrupt — our morals make Sodom and Gomorrah seem holy in comparison. Our evil government makes Rome at its most evil time look like heaven in comparison. Truth is called a lie and a lie the truth. Yes, we humans are ready for the harvest. We are ready for the corrupt to put on incorruption. Pray for harvesters who can separate the precious from the vile

To make straight the path for the coming of the reaper let me tell you a list of Christian myths that have been taught by our self proclaimed teachers and pastors. These myths have been taught as gospel truth but are not the gospel taught by Paul or Jesus.

**By now you probably have suspected — heaven is not a place to go to when we physically die. It is not a place where the streets are paved with gold. Physical death I will refer to as getting our Ph.D. (Physical death). By now you also know that (dying daily) 1 Corinthians 15:31 has nothing to do with the physical but refers to our inner man, which is made in the image of God. We all know our physical body, which may like to take a caddy to heaven and drive on gold streets, goes back into the dust and is no more. Cemeteries will shortly be dinosaurs. Will we**

**ever get our eyes and ears open to understand the reason for God sending His Son into this grave called hell to rescue us?**

**Myth — when we die, we will go to heaven if we are good. Now for the truth, the reality.**

Romans 14:13 — “For the Kingdom of God is not meat and drink but righteousness, peace and joy in the Holy Ghost.” Only the new creation can experience heaven and that, my dear sojourner, happens right here on this old planet called “Earth”. We must decrease our happiness in eating and drinking, our anger, hatred, jealousy and increase in Christ so as to obtain the resurrection, which is righteousness first, which infers we must get rid of our being right in our own eyes and obtain the humble Spirit of God’s righteousness. Then joy and peace follow — qualities which the world cannot give you. This is heaven, my dear reader. Do you get it?? Nothing can satisfy like the three facets of heaven.

**Another myth is the rapture** — Taught by almost every teacher who themselves have no vision; who will not lay down their lives so as to obtain Christ (the Kingdom of God). Please remember, Christ in you is the hope of your being changed so as to abide with God. In Christ we are a butterfly or a new creation. Humbling ourselves and dying daily is the work of the cross and is the centrality of Christianity. Only an arrogant, self righteous person would presume that he will be raptured and leave those he considers worse than himself. My personal feeling — I would rather stay with the ones considered scum by the rapture believers.

And Christendom is made up of church-going dumb, blind sheep following the blind leaders, and they

both go around in circles in hell never coming into the resurrection. They all live in imagery hoping for something that will never happen.

**Yet another myth, “Jesus did it all so I do not have to go that way”.**

Christianity has become the joke of the non-Christian world the same as our democracy is the laughing stock of the world. We have peddled our mythology to other countries trying to sell them on a better way to live. Christ is indeed the answer to the world’s dilemma. However, the true gospel has not been preached — the gospel that will lead to the Kingdom of Heaven. For that gospel compels us to leave all and follow Christ out of this present evil age and into a new creation with a new family, all related by the blood of Christ and into a new life.

The metamorphosis that takes place if we indeed do follow Christ — decreasing down to zero so He increases and becomes our all in all — is indeed one experience only the brave and courageous care to have. Only those who love truth more than life, those who have faith to move mountains of pride, arrogance, hatred and greed, those who have a vision of a better life only to be found by following Christ and obeying His every commandment. Those who have found that there is no greater love than to lay down ones life for another — yes, these are indeed rare and precious in an evil world. They are the leaven that keeps the world from total destruction. They are the light of the world, the salt of the earth. And the enemy of our soul, who is prince of the air of the world has false teachers who will contaminate the gospel so his evil world will continue on as usual.

When yet a babe in the Lord I happened to mention to the wife of a well known pastor, “I notice Christ is coming for a church without spot or blemish.” Her feathers ruffled as she answered, “The only one without spot or blemish is Christ.” She said it so righteously as truth -- it was like, “How dare I think otherwise?” Well,

I found out later as I let Christ have my life, that He is indeed coming for a church without spot or blemish or any such thing. As a matter of fact, only a new creation can abide in God. However, the price to be paid was more than the pastor or his wife cared to pay.

**How about this for an evangelical myth? Accept Christ and not only are you saved but you will become a better person???**

Now for the shocking truth. Matthew 24 — “Those who endure until the end will be saved.” I will bet you a confederate nickel that there is not a Christian that knows what that scripture means. The Kingdom of God is a mystery and is revealed only to those who seek and are willing to give up their life. “For the Kingdom of God does not come by observation for behold, the kingdom of God is within you.” The charlatans are making tons of money off the ignorance of the Christians; an ignorance that will cost them their soul. Movies, books written, TV fairy tales, are all ear tickling fiction and are weaving the web of deceit tighter and tighter.

Yes, those who endure until the end of their old life and have become a new creation are indeed saved. The Adam man was never meant to be saved any more than the acorn is to be saved if it is to bring forth the beautiful oak tree.

We are all spiritually dead until we meet God, the ultimate for the human race. Then we will be whole and blameless like the animals are.

How shallow the charismatic leaders were. The river of truth has washed away their false gospel, for they think in part and preach in part but that which is perfect or whole is here. Grow up people, awake from your sleep, be brave and courageous enough to kiss your false, dead pastor good-bye and follow Christ, for the Kingdom of God is here and the door is wide open beckoning unto you to enter in.
