

My Appreciation

*In life everyone needs love,
Love comes from the heavens above.
It's God's love that sets us free,
It's God's love that we all need.
I truly, truly believe,
That God's love will satisfy you and me.*

*His love comforts us, eases our hearts,
Takes away the pain, mends our souls,
So that we may let go, and let God!
The Lord is by our side
To catch every tear that we've cried.
The Lord helps us survive,
It's His love that keeps us alive!*

*There's no better love
Than the love that we share,
There's no other love that will ever compare.
So today I'll pray,
And let God show me the way
To a brand new day! Amen!*
