January — March 2000 Word

“Of His own will He brought us forth by the word of truth, that we might be a kind of firstfruits of His creatures.” James 1:18

God is bringing forth by His will a new creation. Can you feel the birth pangs??? Are you witnessing the destruction of the foundation of the past age, known as the Gentile or church age???? Is everything you considered a “no, no” being pushed in your face as a tool to take away your righteousness? Everything we thought was the right thing to do is being thrashed to bits.

The family unit, is the seed whose time has come to give birth to what is called the fruit, God’s family. Can you hear what I am saying??? The human race as we know it is history. Your life, as you know it is history. A new thing is happening and God is the author – not the devil, not your neighbor, not the government, not your husband or children. This new creation being formed has to do **with you and with me. The kingdom of God is within you and within me. The giants are within you and within me. Joy, peace and righteousness are within your grasp once you give your life to Christ and follow Him. So my dear friends, we cannot blame anyone for the choices we make.**

Can I tell you that the fruit is as different from the seed as a grapefruit is from its seed? Let me describe the seed and the fruit so you get a picture of the drastic change we are all called to go through:

The seed is what the Bible calls our natural man, our soul, the first Adam.

The seed is self righteous.

The seed is dead, cut off from God.

The seed is born in sin.

The seed lives in a world the Bible calls hell and the grave.

The seed is an animal.

The seed is selfish, stubborn, greedy, idolatrous, wicked, manipulative and very clever, like the serpent.

The seed does everything with a selfish motive—especially all the good things he does.

The seed is a child of the night.

The seed is part of a crooked generation.

The seed is a member of a dysfunctional family.

The seed’s father is the devil.

The seed is mortal with corruptible blood.

The seed has a will with power to make choices and control his life.

Do you get the picture of yourself and your situation????

Now the good news is that our Father has appeared in the earth scene to judge personally each individual and to bring to an end our old world, our old life, our suffering. The bad news is this. We all are going to have to go through times the likes of which have never happened to man. These are the words of our Saviour. Every crooked place will be made straight. Every mountain will be brought low and every valley of self pity, etc., will be leveled.

He will work with us until we become a humble body with Christ as our head, and with the corruptible blood known as our family genealogy wiped away and replaced with the precious blood of Christ. Many will perish as they will not be flexible enough to make the change.

Now let me describe the fruit:

The fruit is a new creation.

The fruit is made up of a many membered body.

Each member of this body has been perfected and is whole with Christ as Lord.

The fruit lives not for self but for the good of the whole.

The fruit lives in God's kingdom called heaven.

The fruit has fruit coming from his life for others to taste and drink from.

The fruit is God's righteousness in the earth.

The fruit owns nothing, not even his own life.

The fruit's relatives are his brothers and sisters related by the blood of Christ which include Paul the Apostle and all the saints and Jesus and all who are "in Christ".

The fruit is alive, gets all energy, thoughts and words from the Father of lights, our dear Father in heaven.

The fruit has died out to the old world, his old life and has been resurrected into a new life, supping anew with Christ in his kingdom.

Only the new creation stands in the presence of God.

Beware of anyone preaching another gospel other than this. The church age had pastors, elders, etc. The new creation **is** the true church — alive — no respecter

of persons, each member doing his Father's will. If he is the hand, he is doing what the hand does, the eye what the eye does, etc. All honor goes to our Father, not some pastor, elder, apostle or teacher.

We, the Piecemakers, the firstfruit of his creation are so different from what is known as the church, that the world church leaders think we are a cult. Both Christ and Paul warned against false teachers, false apostles, etc.

There is a real family of God arising in the earth so beware of the false communities also. Ask God to give to you a spirit of truth so you recognize God's people who have been born again by the will of God by the word of truth. All false gospels bring forth false fruit.

May the grace of God be given to all of us at the coming of our Lord.

Marie Kolasinski

January — March 2000 Letter

Hello Once again,

*Psalm 115:16 says, "The heaven (even) the heavens are the Lord's, **but the earth hath He given to the children of men.**"*

***"The earth has He given to the children of men."** Rather interesting considering that we are spending billions of dollars trying to get to another planet. When Paul admonished all of us to be content with what God has given us and what God has called us to do, he also knew that God Himself would remove all the high exalted places in our imaginations that long for things outside of God's will for our life, our country, and our planet.*

Dear friends, is God able to bring forth the kingdom through the apostate, dead church? Or will He go to a people who are not called by His name? Ponder these things. Expect the heavens to be shaken as He replaces all rulers with His rulership. We at Piecemakers are holding fast the confidence and vision given to us at the beginning of our walk praying we might be made stronger in Him as He shakes our own personal heaven and earth. Our roots have gone deep and He has established us as a business and as His children. We send our deepest respect to all who are seeking refuge under the wings of our great and awesome Father.

Well, I have chatted long enough. Once again, new and wonderful events are taking place at the store, village and warehouse. Our new soap, candle, and door and window store over at the warehouse is in the fetus stage ready to burst forth with new and exciting doors opening. Check the Calendar of Events for the events you cannot afford to miss.

God's blessings to all of you. May His judgments be tempered with mercy.
