

## April — June 2001 Word

### *Will the real church please stand up?*

The Kingdom of God is here — the butterfly is emerging from the womb, a new creation (nation) is coming forth — a new race of people. A new wave is washing over the world like the waters of Noah destroying everyone and everything who will not turn to Him.

So you are not deceived into thinking you are already in the resurrection, or that the resurrection is not for us here and now, let me give you a description of the children of God.

#### **1. They neither marry nor are given in marriage.**

(Luke 20:34)

Ahhh. No more bondage to original sin.

No worries about aids or abortion, for marrying is not necessarily the piece of paper signed. It is the union of flesh and soul. In the resurrection all union is in the spirit.

Our life is not our own, we are bought with a price. Our body is not our own — it is bought with a price — it is the temple of the Holy Ghost — flee from fornication (the “F” word).

#### **2. Death is swallowed up in victory.** (1 Corinthians 15 and Luke 20)

If you have not had the U.S. Government sift you until every drop of blood is spent, you are still in the old age called the “church age”. By the time Moses finished with Pharaoh the children of Israel were ready to leave Egypt and Moses was prepared to lead them.

Only when death no longer has a hold on you are you free from sin.

**3. There is no male or female** (Galatians 3:28) so “wives submit to husband” is transcended by “submit yourselves one to another.” Our Adam man is submitted

to nobody except for personal gain. Wives have learned how to play the game of manipulation, calling it submission.

#### **4. Believers live communally and have all things in common.** (Acts 2:44)

Because the real community is coming forth there are many counterfeits also coming forth. Beware of wolves in sheep’s clothing. Without the cross and the Holy Spirit and the wisdom of God, we cannot build His house.

#### **5. There is no Greek or Jew.**

(Galatians 3:28)

Wow, does that take care of the Jews who are on the self important trip making themselves special in God’s eyes? And also the Christians who think they are the chosen ones?

Because this word is an admonishment to all who are responsible for the souls of God’s people, I want to preface it by saying that I greatly appreciate all that the Holy Spirit has done through men and women to evangelize the world to Christ. However, if Christ has been just an experience in your life and not the One you have followed through death into the Father’s kingdom, you have a gospel that leads the people nowhere. The present day apostasy in the church is a disgrace to Christ and to all He died for. We see the blind leading the blind.

Leaders! Teachers! What have you been teaching that has you still looking for the coming of the Lord? Or — oops — the rapture came and we are all still here or the day of visitation came and Israel is still just another country without God, or whatever else is being taught that keeps the people ever learning but never entering the Kingdom.

*The present day apostasy in the church is a disgrace to Christ and to all He died for. We see the blind leading the blind.*

*As a matter of fact, there is a marriage between church and state that is as deadly as was in Europe when people fled for their lives.*

Far be it for any of the self appointed apostles, teachers or prophets to be as concerned with their own salvation as they are with proselyting the people to their gospel — charismatic cowboys shooting blanks.

Did you ever try and admonish one of the charismatic cowboys??? They think they are being persecuted. The fact is I know of no gospel being preached that would cause persecution.

There are reasons our country is in the mess it is in: our morals are worse than those of Sodom and Gomorrah, our leadership the joke of the world — crime running rampant. Is it not because the church which is to be a light to the world is immature, weak and corrupted as is our government?? There are no guidelines by which to live. As a matter of fact, there is a marriage between church and state that is as deadly as was in Europe when people fled for their lives.

What do the church and government have in common? They both take money from the people they profess to serve, and give them nothing in return. They both rule over the people keeping them in prison. They both have pride in the size and wealth of their kingdom they have formed with their deceptive ways.

The harvesting of America will be much more drastic and severe than anyone is anticipating. For the age that

is over is more America's way of life than in other countries. We have been more deceitful than other countries. I am talking about what we call "the church age". It will end like the tower of Babel, when not only were families blown apart, but industry had to reinvent itself — worse than communist Russia — more severe than Sarajevo, Afghanistan, Africa, or any other country where we see the devastation of people and nations.

I could write a book on the treatment we have received from the so-called leaders who profess "love", and their lack of desire to bring forth the real united church. Let me warn you that the church they will bring forth will be the false "church", suddenly united because the real is also on the horizon — meek and comely with no guile; innocent and blameless before a holy God.

Out of that first wave called the charismatic wave the tares have grown up with the wheat. The separation has taken place. Now is the time for the burning of the tares so that the wheat can be brought forth. Where do you stand??? Are you of the old breed that is passing away or have you allowed Christ to take you on a painful journey into the resurrection?

Time is of the essence. I pray this message awaken those who are called to be saved.

## April — June 2001 Letter

*“Who has seen the wind, neither you nor I; but when the nations tumble, the Wind is passing by.” Old poem, new words. Apropos, considering God calls His Spirit “a mighty, rushing wind”. We should all rejoice to see tyranny fall in our nation. Will we be like the children of Israel, bemoaning the visitation of the Lord, or do we have the stuff to ride the waves of adversity into the triumph of a new day — with or without family, loved ones or possessions?*

*The journey back to our Father is now on video. We are calling this series of tapes, “The Odyssey — Calling All Angels”, and they are available for \$10.00 each, which covers shipping and handling. And, oh yes, our newspaper — The Town Crier (the people’s voice) — is available for \$24 per year.*

*Dear Quilters, we are always amazed at the countries who are in quilting, silk ribbon embroidery, doll making, etc. We hear from people in Sri Lanka, Thailand, Croatia, Zimbabwe, and other far off places, who enjoy learning from our calendar and books. They are kinfolk of ours tho’ we have never met.*

*The shot has been fired, the contest is on! I refer to our “Raggedy Ann or Andy” Doll Contest. First prize is \$200.00 — second prize , \$100.00 — third prize, a \$50.00 gift certificate to our store, and three honorable mentions, a “Piecemakers Collectible” plaque. Contest details are found inside the schedule.*

*Our “Piecemakers Collectible” plaque has arrived and is more beautiful than anticipated. It is a limited edition so order yours now! Many changes are taking place in the store — rooms are being transformed and beautiful new merchandise is coming in to fill them. We are extending a special invitation to each of you to join us and see the results of the transformation at our Open House , Saturday, June 9 — along with refreshments, prizes and a balloon bust sale. Hoping to see you soon...*
