

## January — March 2011 Word

### Love Not the World

#### *1 John 4:10*

As we all know, joy, peace, well-being, contentment are all inside jobs. So why are we looking for fulfillment in all the wrong places? The world that we have created will never satisfy our yearnings. The seed planted inside of the human race has come to maturity and the world that acted as the womb has served its purpose. Do you get it???? Daaaa...

God is looking at the world, contemplating His action. Is there enough righteousness in it to save it???

God is about ready to make His move upon our sick world. And as the Bible says, "If you love the world, you hate God." That separates the sheep from the goats, the wheat from the tares.

The governments that at one time were not corrupted and were needed, now stinketh, and it is time to make our exit, which means a drastic change in our inner man, or we perish with the sick world.

Isaiah 13:11 — "I will punish the world for their evil, and the wicked for their iniquity; and I will cause the arrogancy of the proud to cease, and lay low the haughtiness of the terrible."

It does not take a genius to see the corruption and evil that is covering every corner of our globe, for the same evil lurks in the hearts

of all of us. The more holy we appear, the greater the shyster in us.

Now that our day of reckoning has come, how will you fare in the day of the Lord?

It is a day leading to our freedom from our own prison walls.

It is a day which we have prayed for, lo, these many years.

It is the day when the power hungry preying on the weak is over.

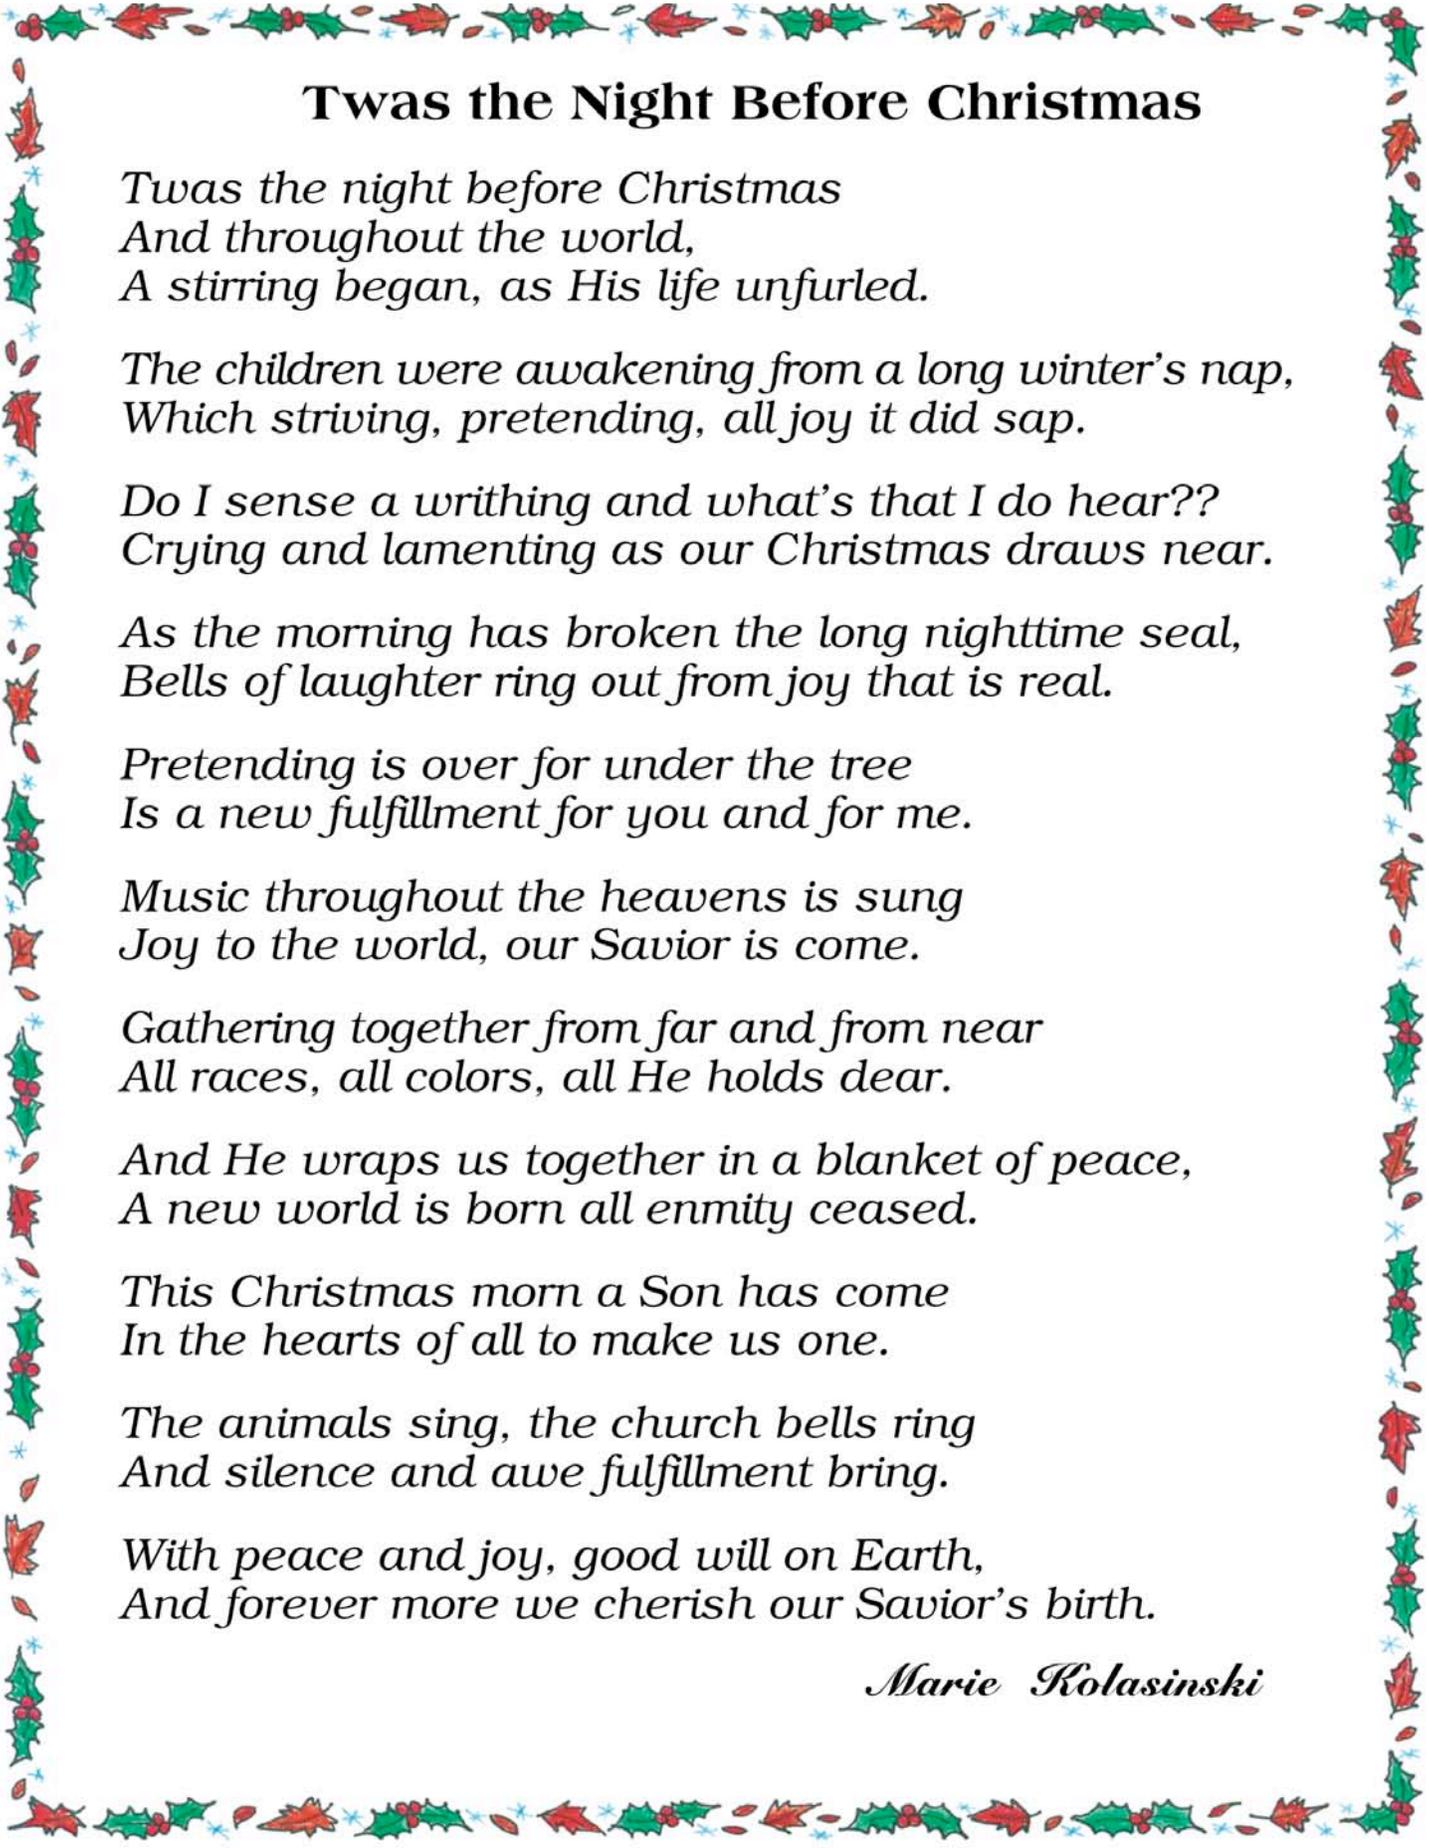

It is the day we will all be lowered to the least common denominator.

It is called the second coming, the harvest, the end of the world. So humble yourself under His mighty hand of judgment. Refrain from doing what seems right in your own eyes. He gave His life for you, now you give your life not only for Him but for yourself.

As it was in the beginning, so is on the horizon a new genesis, a new generation. For in the beginning was God and we will build His kingdom upon Christ, the Rock. And all the heavens and the angels and all the earth will resound with the sound of music. Ah yes. We are indeed a chosen generation to bring forth God's will in our awesome home called Earth.

Marie Kolasinski

## **Twas the Night Before Christmas**

*Twas the night before Christmas  
And throughout the world,  
A stirring began, as His life unfurled.*

*The children were awakening from a long winter's nap,  
Which striving, pretending, all joy it did sap.*

*Do I sense a writhing and what's that I do hear??  
Crying and lamenting as our Christmas draws near.*

*As the morning has broken the long nighttime seal,  
Bells of laughter ring out from joy that is real.*

*Pretending is over for under the tree  
Is a new fulfillment for you and for me.*

*Music throughout the heavens is sung  
Joy to the world, our Savior is come.*

*Gathering together from far and from near  
All races, all colors, all He holds dear.*

*And He wraps us together in a blanket of peace,  
A new world is born all enmity ceased.*

*This Christmas morn a Son has come  
In the hearts of all to make us one.*

*The animals sing, the church bells ring  
And silence and awe fulfillment bring.*

*With peace and joy, good will on Earth,  
And forever more we cherish our Savior's birth.*
