## THE EYE OF THE NEEDLE

Luke 18:25 is a most interesting description of America as we are all faced with the holiness of God as He makes His appearance into the lives of all of us. Be careful what you pray for as this terrible judgment hitting the world is the answer to the prayers of the Christians. His kingdom is come and He is making sure no rich man enters the kingdom of God. I can hear the pious churchgoers saying the same thing the rich man said to Jesus — “I have kept all of your commandments so why can I not enter in??? Why is all being taken from me? Why has my world crashed down upon me????”

And of course the answer today is the same as it was 2000 years ago. “For it is easier for a camel to go through a needle’s eye, than for a rich man to enter into the kingdom of God.”

Now, the gate into Jerusalem was called the “eye of the needle” for it was purposely small to keep out predators. A camel had to get rid of all baggage and then crawl in on its knees, and bow his stiff neck.

America, you and I are much too rich not only with possessions but with our pride, ego, selfishness, earthly desires and the lust of the eye, the lust of the flesh and

the desires of our wicked hearts. When Jesus spoke these words to a man who appeared pious and holy, it scared the disciples and they asked a fairly normal question — “Who then can be saved?” And Jesus answered with these profound words: “The things which are impossible with men are possible with God.” So I would suggest that we get our eyes off man who cannot save and turn to God for our help. Our demise is as final as the tadpole whose time has come to turn into a frog.

Obama is the golden calf around which the idiots are dancing hoping for a miracle that will never happen.

Abortions are not murder. Our vengeful blood is full of murder. There are no good people and bad people. There are just tadpoles whose time has come.

We are all being drawn through the eye of the needle, commonly known as the cross, the Jordan, and the valley of the shadow of death. We either change or perish. And the good news is this. When we relinquish our all, even our old life, all will be restored and we will receive manifold more in this present time, and in the world to come, life everlasting.

## April — June 2009 Letter

*Hello, again, my dear friends,*

*We just spent three weeks in Colorado at the ranch resurrecting it and readying it for the Master's use. Looking out at the beautiful San Juan Mountains and watching the nuthatches eat the peanut butter we put out made the work a pleasure.*

*In the late eighties and nineties it was a boys' ranch with around twenty boys learning construction work. Then when they left we used it for classes and rented it out for weddings and family gatherings. It was in need of tender loving care after ten years of use and no close care. We polished it and it is ready waiting for whatever God has for it. I do believe people will be renting it and staying there as a refuge as the days and times get worse. We have not seen the total demise of America which is about to happen.*

*I know of which I speak as a good shepherd goes before the sheep to let them know of pitfalls and dangers.*

***Our money (known as filthy lucre) and the love of it the root of all evil, will be such a curse on us to the extent that we will, as the Bible says, "throw it in the streets." In James 5:1 — "Go to now ye rich men, weep and howl for your miseries that shall come upon you. Your riches are corrupted, and your garments are moth-eaten. Your gold and silver is cankered and the rust of them shall be a witness against you, and shall eat your flesh as it were fire. Ye have heaped treasures together for the last days."***

*We see the bestial government taxing us to death and God will use it for our good. However, it is time we start standing up to that which is evil. If we pay taxes we are feeding the very thing that will destroy us. God is shaking the heavens and the earth and all rulers and governments are history. So let us all pull together. Help those without and always treat our fellow man with this imprinted on our hearts: "There but for the grace of God, go I." And let all of us pray for mercy as God makes His holy appearance in this awesome visitation.*
