## The Feast of Tabernacles

My dear friends, as usual I come bearing good tidings as God is about to tabernacle with His people. Now, this is good news to some and devastating news for others as we all will be held accountable for the condition of our hearts.

There are three feasts — the feast of Passover, the feast of Pentecost and the feast of Tabernacles.

The year was 1967. The Six Day War had ended and it seemed to be an end and a beginning of something new and global. The Spirit of God hovered over the waters of the deep and was groaning to bring forth. God was drawing His people back to Himself with cords of love. If you are at all familiar with God's love, you know it is "you die and He lives". It was a time where we either ate His flesh and drank His blood, or we turned back to the leeks and onions of Egypt.

It has been 40 years of testing and trials— manna sent by God to humble us and see if we would endure and persevere and change our will for His, our blood for His. It has been forty years of growing, changing, losing our life and gaining His.

Well, the forty years are past and we can no more relive them. He has blown the whistle and is saying time is no more. "What have you

done to prepare your heart for Me to use as My tabernacle? Are you ready to take responsibility for your life? ARE the motives of your heart pure?? Have you allowed Him to exchange your reasoning for His will? He is saying to all, "Come let us reason together for your sins which were as scarlet will be as white as snow."

The manna from the wilderness has dried up like the white and yolk of an egg when the chicken is to be hatched. And God is ready to bring forth a new heaven and a new earth in which His righteousness dwells. Are you coming meekly before a holy God or are you still part of our old arrogant nation that is passing away???

He is taking a nation out of a nation, a people out of a people, a new age out of an old worn out age. So that, my dear friends is why we are all feeling the tremors of the earth having to give way as He births a new heaven a new earth and a new creation. The collapse of our economy is but a crack in the eggshell as old things are passing away and behold , all things are new. Let us all pull together in meekness with malice toward none, for it is written, "The meek shall inherit the earth."

Zechariah 2:13 — "So be silent, O all flesh, before the Lord; for he is raised up out of his holy habitation."

*Hello to all of you who continue to travel with us into a whole new way of life, where we are as concerned and caring about one another as we are about ourselves. The knitting together has begun and let me tell you — if the “Taste of Piecemakers” is a taste of the ingathering of God’s people, well, I for one will shout “halleluiah”. We all were like little busy bees excited with anticipation as we felt we were preparing a feast for a wedding as God began to gather His people together. The feeling of oneness and communion transcended all the hullabaloo of our world coming to an end. We were all one body, with our Lord as He seemed to make the old earth His footstool. I pray we all become one with Him even as He and the Father are one. Then we can proclaim that we are in word and in deed a nation under God...*

*God is ever ready to be our helper if we humble ourselves and ask for help. Our deep appreciation for all of you as we, as one army, forge our way through the gates of hell.*

## **FLEE TO THE STRONGHOLD, YOU PRISONER OF HOPE**

***1 Corinthians 6:16 — For I will dwell in them and walk in them  
and I will be their God and they will be my people.***

Let me remind you that the gospel of salvation is not for certain elect individuals. It is for the entire human race. The Holy Spirit of God is not for the elect few. It is for the entire human race. The Holy Spirit is free for the asking. Salvation comes with a dear price — your life.

And so here we are finding ourselves in what appears to be a most scary, awesome time. We see the entire world imploding in on itself and we say, “Dear God, what have I done that makes You so pissed off at me?” Or perhaps you are still too arrogant to see God in this end of the age calamity.

He is shouting from the heavens, “Flee to the stronghold, you prisoner of hope.”

Wow, did He say we were prisoners of hope??? Why would hope make us a prisoner??? Well, my dear friends, hope keeps you in an illusion of the reality of what one hopes for.

Now because our hope is an anchor that pulls us to that which is hoped for, please, may I ask you what is your hope????

Two bits, you hope for something that is earthy, something that the rust and rot will devour in time. Perhaps it is a mate, a job, a new caddie, health, or whatever.

Now, for you who are wondering why you keep longing and longing and never coming into the reality of heaven or a rest, it is because your anchor is pulling you into nothing but muddy waters.

“Christ in us, the hope of glory” should be our one and only hope. For we all have sinned and fallen short of

the glory of God. So hope fulfilled does away with what we call sin. Hope fulfilled brings us into heaven.

That we may be one even as He and Christ are one is His desire and He is forcing us into a marriage relationship with Him. He in us and us in Him.

As a bridegroom comes to take a wife, He is here like a thief stripping us of all our false hopes, our false dreams, our phony, fleshy life. So bon voyage, my friend. See you at the banqueting table where His banner over us is love. Be sure and come dressed in humility as all flesh will be sizzled by His awesome beauty of holiness.

Now “tip of the iceberg” fringe benefits of this marriage are — private enterprise will once more flourish and people will be perfecting their work, not to please a sick government of codes, but their customers. Competition in the market place will once more flourish.

Communities will spring up like fresh blades of grass and we will not depend on welfare or medical care as all service will be on the shoulders of the community. The government has been a bloodsucker and not a servant.

Permits and taxes will be dinosaurs as well as prisons, for the love of money will be known as the root of all evil and it will take its rightful place in our nation.

If you do not work you will not eat will be a normal happening, not because it is a law, but because work will be our saving grace. This is but a smattering of the results of the coming of the Lord with the governments upon His shoulders.
