July — September 1995 Word

“... so we are without excuse, because, although we knew God, we do not glorify Him as God nor are thankful but have become futile (vain) in our thoughts and our foolish hearts are darkened. Professing to be wise we became fools and changed the incorruptible God into an image made like corruptible Man — and birds and four-footed beasts and creeping things.” Romans 1:20

Now all of us have gone this way... I mean all of us — your pastor, your priest, the pope, your mom, your dad — all of us. Therefore the following things are the results:

1. We glorify ourselves instead of God.
2. We have unthankful hearts.
3. Our thoughts are vain and futile. That means the most intelligent person.
4. Our hearts are darkened.
5. We all became fools.
6. We have made graven images of ourselves, of the world in which we live, of our family and of God. **THIS IS THE WORLD THAT GOD IS DESTROYING.**

Therefore God also gave us up to uncleanness, in the lusts of our hearts, to dishonor our bodies among ourselves.

Can anyone reading this message deny that you have lust in your heart? Consider how far we have fallen when we satisfy the lust of our hearts by satisfying the desires of our bodies and then say that God puts His blessings on it. Because the pastors and priests are guilty of this they give credence to the flock to be

likewise guilty. My dear sojourner, you are accountable for your own salvation. Then the scripture says, ***Who exchanged the truth of God for a lie.*** Notice it says ***the***

truth of God. I hear pastors feeding the people truth that comes from their own heads and it is like poison that keeps the flock asleep. Soon we will see God himself come to gather His flock, and the pastors and priests, prophets and teachers will be exposed. Anger unto murder will ensue when the people see how they have been duped. Then it says, ***they worship and serve the creature rather than the creator.*** How many of you think your pastor, prophet, teacher, or priest is “hot stuff” and you just overlook his “human frailties” when, in fact, he should be the example for the flock?

We worship the pope, we worship our church services, we worship our families, we worship our jobs and the worst of all we have made an icon out of Jesus and worship him rather than our Father

who was the savior of our Lord. **God will not forgive you for your ignorance.** His wrath has already been

America's Cry

When I was young, I had a dream
That I was a land where all could glean
A living free from the old tyranny.
My God, My God, what has happened to me???

I dreamed I was a land for the lowly of heart.
I opened my arms to give all a start —
A new life of love and liberty —
My God, My God, what has happened to me???

Ah yes! I opened my door to all.
“Come, all you who labor” — that was my call.
They came from the North, South, East and West.
My house now is full — but there is no REST.

What happened to those who were lowly of heart?
Who came to this land to get a new start???

I loved them, blessed them — did all that I planned.
But when they grew rich, they forgot who I AM.
A land of the poor and the Home of the brave.
Not the greedy or whoremongers who can only behave
Like the animal world — a tooth for a tooth —
Without any mercy — absent of ruth.

Lord, One True God of my earth —
I'm crying to you — take this people and birth —
Your Kingdom within my bountiful shores
So the world will see — it is You I adore

Only YOU, my dear Creator of all
This is AMERICA, do you hear my call???

released from heaven and every idol in your life will be taken from you. Our children were not meant to die; however there is a stubbornness in us that would rather lose our children than bend our stiff necks and stubborn wills. Please thank me for writing the truth instead of hardening your heart against it. God just may relent from wiping out your whole family. Pray for repentance to fall on America. I do not need to tell you that the world is in a mess, and I need not tell you that it will get worse before we get the picture — if, in fact, we finally see our dire need to get back to our source — God himself. Just the way the federal building fell, so shall every government fall. So shall your well ordered life fall. God's kingdom is rising and nothing will stop it.

The world as we know it, has been baptized into Christ's death. Whether we make it into the next age will be completely up to us. God thinks nothing of going across a country and wiping out men, women, children, cows, businesses, homes, etc. [A government as corrupt as ours who arrogantly lords it over the people, making the businesses conform to their stupid codes instead of the way God would have it; a legal system that prefers to believe a lie rather than the truth... well, America has provoked God beyond his patience and we will see the likes of which will make Oklahoma City seem like child's play.](#) Do you know that Saul lost his kingly anointing because he did not obey God when

told to wipe out men, women and children, and also their livelihood? Jesus warned us that it will be the worst of times since the beginning of time, and no one will escape what he has already set in motion.

Now dear folks, please don't pray for a false peace. Peace will come when we, through our obedience to Christ, become a new creation — when we have made our way back to the God of Peace. Please do not pray for the survival of that which God is destroying. It is as if Abraham would pray for the survival of Sodom and Gomorrah. [And above all, do not follow anyone but the Lord Jesus himself, as I know of no pastor who has the truth. Seek Him while it is yet called today for the night season is upon us](#) — His wave of destruction is already rolling and no pastor, pope, teacher or prophet can help you. This is indeed our finest hour and our most frightening hour. Let us pray none of us who reads this miss the hour of our visitation as did the chosen people of God two thousand years ago. God bless you, and we hold everyone who walks through our doors before the Lord whether we know you or not. We know it is God who brought you. Watch, stand fast in the faith; be brave, be strong. My love be with you all in Christ Jesus. Amen.

FOOD FOR THOUGHT: COULD THE OKLAHOMA CITY HAPPENING HAVE BEEN AVOIDED IF AMERICA HAD REPENTED????

Marie Kolasinski

July — September 1995 Letter

Dear folks,

*Howdy from all the Piecemakers. I just reread the “Word of the Lord” and I want to tell all of you I would rather have written that all is fine and dandy and America is in God’s protective will and nothing will happen to upset the apple cart. In other words “Peace, peace when there is no peace”. However, this is the time for all of us to make sure God is our all in all... that we have no idols or false gods before us. He is indeed a jealous Father who will come with vengeance to destroy all idolatry and graven images so we can be set free. **I cannot fathom any intelligent person making an idol out of a cracker.** And yet from letters we have received, Christians have done just that. Is it any wonder other religions mock Christianity??? Shame on us!!! We have had the word. We have had the Holy Spirit. And to make matters worse we have had God’s own Son and have trampled it all under foot. Can you see why our government has turned on us?? We have all made government our god. God has left our country not because of Him but because of us. Just as a reminder, God loves all of us enough that He does nothing unless He lets his servants know what He is about to do. So if you have ears to hear — then hear what the Spirit is saying to the church.*

*Now for less serious things. Our schedule for the next three months is chock-full of interesting and fun events. Especially in the month of August. **Gloria from Australia** will be with us for over a month with classes, fresh ideas in both silk ribbon and wool embroidery, and then to top it off, do not miss her **High Tea and Show and Tell on August 6th at 2:00 pm.** Good food, good fellowship and working with ones hands all for \$15.00. Then the **week of August 21st** will be the **Dollmakers Challenge Week** ending with our very first **Piecemakers’ Food Festival.** This will be a time of true *gemutlichkeit*. Ethnic foods, music, demonstrations will remind you of “back home” wherever that may be. Cook up your favorite meal and rent a space for \$10 and get into this community affair. Piecemakers Country Singers will be with us, too.*

***July 4th is our Let Freedom Ring annual craft fair.** Come one — come all. Food, entertainment and games for young and old, besides 150 booths of truly amazing artistry. Of course, by now you know about our **High Country Craft Fair in Colorado on July 15 and 16.** Plan a vacation in the beautiful San Juan mountains. This is Ridgway’s event of the year so do not miss it. If you enjoy our craft fairs here, well, you will love the Colorado Fair.*

*Two more reminders: July 23rd we will have a **week of Christmas in July** with Christmas bread and cider, 25% off on all Christmas items, and also Christmas wreaths will be dirt cheap. Fall schedule will begin with a **25% store wide sale on September 4th.***

We all send God’s love and reassurance that we are all standing together in God’s next move.

Marie

P.S. We got one sweet response to the story written. The story in full is on the next page.

The Story is Finished... Help in a Strange New Land

Back, a long time ago a family fell out of the sky and landed in a place called South Dakota. The family was a Mom, Dad, a little boy and a little girl. I do not know the names of this family but they seemed very happy to be in this new world. It was summer and they delighted in the birds, the warmth of the sun, the flowers and trees. Because they had never lived in this strange country before, they had no idea that there were seasons and before long they would be caught in a severe winter.

They were not afraid. The Dad had a personal relationship with Jesus and had been teaching his children from God's word, the Bible, about a long, long time ago, when another man, named Joseph, was in a similar situation. He found himself in a strange country. The ruler named Pharaoh had a dream. God had blessed Joseph to tell Pharaoh what God said the dream meant. It was about a coming good seven years and then a coming bad seven years. God told Joseph to tell Pharaoh to save 20%, one fifth, of everything so they would not die. So the Pharaoh did what God told them to do. They became a very wealthy and protected country through the seven bad years because they obeyed God and were not afraid. In fact, that's how all the other countries became in bondage to Egypt and then came Moses... but that's another story. (See Genesis 39 to 47.)

Our thanks to Pat Burkholder for finishing the story.
