I Got the Holy Ghost Fever

*My God did come and wake me
From a long deceptive sleep.
I'd been a-workin' to be good
Just to earn my keep.*

*He took me to a mountain top
And showed me a place to live
With peace and harmony and more
Away beyond this prison shore.*

*Now I've got that Holy Ghost fever
All I want is more of Him
I'll give my life to get His
Cause I've found that's all there is.*

*He said all the striving I had done
To make my life a little fun
Was not His way of doing things —
He showed me how to praise Him and sing
And die a little day by day
By faith My love you'll find the way.*

*So now I have that Holy Ghost fever
All I want is more of Him
I'll give my life to get His
Cause I've found that's all there is.*
