Piecemakers Construction Company has expanded to offer services in home repair and improvement with the small jobs (or sometimes not so small) that we all need performed from time to time — from hanging drapery rods to fixing a toilet, small electrical jobs and even adjusting a stubborn squeaky door, and other finish carpentry needs. You name it, we do it. "No burden too heavy, no job too small."

And don't forget, we are a full service construction company — home remodels, small to large scale.
