

March 14, 2010

GOOD MORNING MY FAMILY BEHIND BARS,
"IT'S BEEN A LONG DARK NIGHT, BUT I SEE A
BRAND NEW DAY A-DAWNIN'."

Timely words from a Dolly Parton song.

Jubilee is beginning to spring forth as the people become whole. We had one here yesterday that was jumping up and down crying, "Thank you God, for Piecemakers, Marie and for You, God." She was jubilant and crying. Then I got a call from Florida and he was doing the same – jubilant and crying for joy saying how whole he was. Could not thank Piecemakers enough for helping him when younger and standing with him in his dark hour. He also said we were like a star guiding the people back home.

So let us expect all of you to have your day of jubilee where you become whole and full of joy, giving instead of taking, no guile, no vengeance, no need to lie or steal, just a bundle of innocence and joy like our little puppies.

Now here is a little message – food for your spirit.

BELONGING

The mighty raging wind of God began in the sixties, totally disrupting the human race, shaking the whole earth to awaken us from a long sleep. What happened was so devastating we will never go back to the way it was and have only one choice and that is to keep moving forward into oblivion.

The glue that held us together, like family, clubs of some sort, church, schools, all places where we felt we belonged, were blown away with the wind.

So the kids began gangs, taking drugs, forming some semblance of belonging. However, even in prison where all are thrown together like a bunch of cattle, there is still no sense of belonging.

Jesus had “no place to lay his head”. He did not feel “at home” belonging until He had reached His destination back with His Father and that is the ultimate belonging all of us are headed for. Now, only in Him will we not only find our rest, our place to lay our head, but we will be “every whit Whole”, in need of nothing.

That, my dear friends, is my message of a new year beginning this March 14.

You already know God loves you all dearly with an everlasting love and so does His servant,

Marie
